## SMART FEATURES

High end gloss  
carbon fibre finish

Smart design allows  
for Rx (prescription)  
adaptor to be inserted  
behind single 8 base  
curve lens

C-Max (anti fog/scratch)  
coated on both lens surfaces  
on Clear, Smoke, Amber  
and back surface on Eclipse.  
Hard coated on Polarised  
and Smart Vue

Multi-directional &  
adjustable rubber  
nose bridge

Our Quick Swap lens design with  
patented slide system allows fast and  
easy lens replacement

Co molded rubber tipped  
temples gently hug the  
natural outline of the head  
resulting in a snug and  
comfortable fit
